FROM THE HUDDLE HUB AND WIGMORE  
VILLAGE HALL - YOUR MONTHLY  
NEWSLETTER

Well villagers Boris has spoken! If the new roadmap goes to plan, we will be opening our outside area for you to come and enjoy on 12th April. You will be able to sit and enjoy the lunch time sun or enjoy your fish and chips on a Friday evening sat in our wonderful garden. We are continuing to operate differently but plans are coming together nicely. First and foremost we remain a constant in the village, bringing people together and supporting our much loved community. Due to schools re-opening and the increase in passing trade, our opening hours will change accordingly but everyone will be told in advance. It has been wonderful to welcome walkers for their mid morning coffee and bacon rolls,. Hopefully the lovely weather continues as we go further into spring. Please visit <https://thehuddlehub.co.uk/cafe/#menu> to see our full menu.

Thinking ahead - What services do you think the community would like the village hall to offer? We have lots of ideas already but your ideas and thoughts would be very much appreciated! Get in touch and we will be happy to discuss.

Again thank you to everyone who has supported Fishy Friday. We have had wonderful feedback from not just Wigmore villagers, put people from other villages too. It is essential to pre-order your fish & chips so you can be allocated a pick up time - 01568 770144

See attached supliment for an example of our menu

## Are you 13 or older?

As restrictions ease, we are able to welcome back our young volunteers to the Hub. If you or a child in your care would like to learn some valuable transferable life skills, working in our café after school and/or assisting our Talk Hub customers, please get in touch. In return, we offer full training, employer reference if required at a later date and an opportunity to complete a nationally recognised Level 2 Food and Hygiene Certificate. All past and new volunteers welcome. Younger helpers are welcome but unfortunately you will not be allowed in the kitchen.

Please call 01568 770144 to find out more.

Do you have a service, skill or product you would like to advertise below?

## Thank you!

A huge thank you to our volunteers for being so supportive and on hand. Thanks to them the newsletter finds its way to you and they step in where help is needed. Do you have time to spare to help the community? Volunteers can either help in person at the talk hub when restrictions are lifted or in the café, collecting prescriptions, drop off precooked meals and help with the distribution of our newsletter. Call us on 01568 770144 to find out more.
